03 | Exploration Workshop

04 | Discovery Workshop „Health Check“

Assessing the Current State of Your Business Planning

During a one-hour, free Kick-off call, we will work with you to analyze your current business plan - both from a business and technical perspective.

The focus is on

- › Your existing planning architecture and processes
- › Strengths of your current solution
- › Specific pain points and challenges
- › Your system landscape

Based on this, we outline possible scenarios for integrated corporate planning in the SAP context and apply them to your specific situation.

Results

- › Transparency regarding opportunities for improvement
- › Initial functional and technical assessment
- › Concrete, realistic next steps for your future planning
